BEFORE YOU COOK

The Ingredient Finder

Boricua cooking on the mainland. These swaps keep the flavor authentic when the original is hard to find.

Ingredient	What it is	Mainland swap
Culantro (recao)	Long-leaf herb — the backbone of sofrito	2 parts cilantro + 1 small green bell pepper
Ají dulce	Sweet, fruity little chili	Green bell pepper + pinch of habanero
Sazón	Seasoning blend for color & depth	¼ tsp each garlic powder, cumin, coriander + annatto
Adobo	All-purpose seasoning rub	Salt + garlic powder + pepper + oregano
Green plantains	Starchy, unripe — for tostones & mofongo	Most Latino grocers; green bananas in a pinch
Alcaparrado	Olives + capers + pimento	Green olives + capers

Pro tip: batch your sofrito and freeze it in ice-cube trays. One cube per dish — Monday's arroz con pollo tastes like abuela's Sunday.
