Tembleque — Puerto Rican Coconut Milk Pudding Recipe

Tembleque

A coconut milk pudding that literally jiggles — the holiday dessert on every Puerto Rican Christmas table.

Ingredients

- 2 cans (13.5 oz) coconut milk
- 1/2 cup cornstarch
- 1/2 cup sugar
- 1/4 teaspoon salt
- Ground cinnamon for dusting

Steps

1. In a small bowl, whisk the cornstarch with 1/2 cup of the coconut milk until completely smooth with no lumps. Set aside.
2. Pour the remaining coconut milk into a medium saucepan. Add the sugar and salt. Heat over medium, stirring occasionally, until it reaches a gentle simmer.
3. Whisk the cornstarch mixture one more time, then slowly pour it into the simmering coconut milk, whisking constantly.
4. Continue cooking and whisking for 3-5 minutes until the mixture thickens to a pudding consistency. It should coat the back of a spoon.
5. Pour into a mold, bundt pan, or individual cups. Let cool to room temperature, then cover and refrigerate for at least 4 hours until fully set.
6. To unmold, run a knife around the edges and invert onto a plate. Dust generously with ground cinnamon before serving.
